

The Queensland Country Life Showgirl Awards are looking for a new Committee member

The Queensland Country Life Showgirl Awards is looking for a new committee member to assist with the development and operation of our Awards.

We are looking for someone who is:

- Passionate about providing young women with development opportunities.
- Looking to meet, engage and mentor motivated young women from our communities and Agricultural Shows.
- Excited to provide a meaningful contribution towards a program which aims to recognise, develop and celebrate young women within our communities.
- Motivated, works efficiently in a team and has strong communication skills.
- Able to connect, engage and network with a number of stakeholders.
- Looking to contribute towards the development of both our State Finals Program and the Awards.

Our committee is looking for a new member to come on board in lead up to the 2024 State Finals program as a mentee and to assist with functions under the guidance of our Committee. This new member will be expected to work closely with our team and assist them with a variety of roles, dependant on their skillset. Our Committee would provide mentorship to this individual, and offer guidance and assistance in delegated roles.

Whilst the role of this new addition to our team will primarily be as a mentee in lead up to the 2024 State Finals program, our Committee looks to delegate key functions to this individual in future, and as such believes it is essential for this person to see a future with the Committee.

Over the past years, our Committee has made significant steps towards detailing the functions of our respective roles, to ensure that transition of such functions to future committee members is smooth and well documented. In addition to this, mentoring and support provided by our Committee will assist our new team member to transition well into our team.

The ideal candidate would share our Committee's vision for creating both a sustainable State Finals Program and Committee structure. Together, our Committee strives to create an unforgettable state finals program, and develop the Awards to become relevant and thriving into the future.

As a member of our committee, you will be required to:

- Attend committee meetings held via Zoom. These are held on an as-needed basis, with flexibility to committee member's schedules.
- Attend our State Finals Program in August, where food and accommodation will be covered, however travel costs will not be.
- Stay connected with the committee via emails and groups chats (weekly).
- Complete tasks delegated to you within the requisite timeframes.
- Contribute to the growth and development of the Awards.

Please submit a one-page expression of interest, outlining why you would like to be involved and what skills you would bring to the Queensland Country Life Showgirl Awards Committee. Further interviews for selection will commence after the closing date for Expressions of Interest

If you have any questions, please email qldshowgirl@gmail.com or contact the Queensland Ag Shows Office

Expressions of Interest are to be emailed to: qldshowgirl@gmail.com

Applications Close: 4 April, 2024
